10 this district.

PARTIES

11 5. I am a citizen residing at Sherlane apartments, 16121 Parkside Lane, #H-3, Huntington
12 Beach, Ca. 92647 since Oct. 2006. This property is owned and operated by a private landlord.
13 I am a participant in the Sect. 8 Tenant Based Assistance Housing Choice Voucher Program
14 (since 2001) administered by the Defendants Housing Authority of the City of Anaheim, Ca..

15 6. Defendant AHA is a federally-funded public housing authority organized pursuant to state
16 enabling legislation, for the purpose of providing decent, safe and sanitary low-cost housing to
17 moderate and lower income families and individuals. Pursuant to [citation of state enabling
18 legislation], Defendant AHA is deemed to be a body corporate and politic, exercising public and
19 essential governmental functions, and constituting an agency and instrumentality of Anaheim.
20 Defendant AHA is subject to the provisions and requirements of federal law governing the Sect.
21 8 Housing Choice Voucher Program set forth under Sect. 8 of the U.S. Housing Act of 1937,
22 42 USCA § 1437f, and its regulations promulgated at 24 CFR Part 982.

1 7. Defendant Ms. Grace Stepter is the Director of Sect. 8 at the AHA. Defendant Ms. Grace
2 Stepter is sued in her official capacity.

3 FACTUAL ALLEGATIONS

4 8. I am 68 yrs. old retired scientist from National Aeronautic and Space Admin.(NASA) and
5 had struggled with various physical conditions, including neurological, orthopedic, high blood
6 pressure, stroke (four), and visual, speech and hearing impairments throughout my adult life.
7 Treatment for these conditions has included evaluations, prescribed medications, seven surgeries
8 as well as admittance to various facilities since 1992. On 10 July 2009, I have a stroke in plane
9 while on return trip from NASA office. Coupled with cataract, I became suddenly blind. On 13
10 July , I was admitted in emergency room at UCI Medical Center in Orange, Ca. I became over-
11 whelmed by both my medical conditions and other circumstances. As a result I have vascular
12 surgery on 10/16 and bilateral cataract surgeries (both eyes) on 11/2, and 12/7 of 2009 respective
13 -ly. I am still going through post-op tests, evaluations, and minor surgeries. See Exhibit A (Letter
14 dated 29 Dec. 2009 from Dr. Romilla Batra of UCIMC). My family friend doctors and surgeons
15 called and wrote notes/letters to inform defendants about my health but defendants refused to
16 believe as they were already prejudiced by unprofessional false information and those records
17 are lost or destroyed by the defendants. See letters dated 9/3, 9/27, and 11/23/09 (response) as
18 Exhibits B , C, and D respectively. There are many other letters and notes sent to defendants.
19 9. Though I was forced to retire due to my health (three strokes) U.S. Government Agencies
20 (NASA, DOD, Treasury, HHS, Homeland Security), media, hospitals, etc. had sought my help
21 due to my previous works and I helped them during crucial time and dire needs. I receive and
22 read technical papers, technical Journals (from universities, research Lab., etc.) and technical
23 magazines to help and guide my peers in the field to continue upgrade and improve complex
Page 3 of 8

1 systems to defeat enemies and mischievous activities. MY SERVICE OF THOUSANDS OF
2 HOURS SINCE 2004 ARE VOLUNTATRY AND NO CHARGE. See Exhibits E and G
3 (Declaration of Dr. John Sutherland, PhD and Dr. C. Mehta respectively). Defendants failed to
4 understand due to their ignorance of the complex systems I work with and requirement of "NEED
5 TO KNOW" so believe that all papers (so called clutter) I don't need. It may be cause of concern
6 if sensitive papers fall in wrong hand. Defendant again disagrees and refused to give enough time
7 to work on life time work with my disabilities. I am planning to finish this by next annual inspect
8 -tion may be in June/July 2010. There is no such clause about number of books, dresses, shoes,
9 etc. tenant can have but my benefits are terminated. See Exhibit F(Letter- termination of benefits)
10 10. I passed yearly inspection in June 2009. Upon knowing my blindness since July 2009,
11 Defendants initiated 'Special Inspection.' Things were not organized due to lack of any help.
12 Since July 2009, my unit was scheduled for 'Special Re-inspection' few times but was unable to
13 keep the appointment due to ongoing medical treatment.
14 Since Feb. 2010, I work very hard to organize, slowly but steady and completed bedroom and
15 kitchen and working in living room where papers are on shelf, or in boxes, bags, bundle or
16 properly stack on the floor to view, separate and discard; i.e. reasonably and carefully organized
17 without any possibility of fire or obstacle in movement.. I have plastic runner on carpet at heavy
18 traffic areas. Carpet, tiles, walls, and ceiling are spotless except normal wear and tear. The US
19 Government has paid (reimbursed me) the cost of fire and casualty insurance if there is a fire
20 damage. The Landlord and Defendants are aware of all these facts so landlord is happy but
21 Defendants are more concerned. IT DOES NOT MAKE SENSE AT ALL AS. IT IS A PURE
22 HARASSMENT BY DEFENDANTS.

23 11. Upon strong demand, hearing was scheduled on 4 Feb. 2009. I went with my witnesses
Page 4 of 8

1 and learnt that none of the communications regarding my sickness and so disabilities were part of
2 the evidence before hearing officer. At the time of Hearing, I submitted many of those evidence
3 again but all were ignored again in the report. It was a totally biased instead of fair hearing due to
4 their blatant lies. I shall prove this before the Judge with evidence.

5 12. Under the terms of the Sect. 8 Housing Choice Voucher Program, eligible low-income
6 tenants like me pay only a portion of the monthly rent for their leased premises. This portion is
7 limited to approximately 35–40% of the participating family's income, and must be adjusted if
8 the income fluctuates. The defendant AHA , which acts as an agent for the U.S. Dept.
9 of Housing And Urban Development (HUD), pays the balance of the rent on their behalf. The
10 supply of vouchers is limited and the waiting lists are extremely long.

11 13. The federal government, through the U.S. Dept. of Housing & Urban Development
12 (HUD), allocates funds to local public housing agencies (PHAs) throughout the nation to
13 administer the Sect. 8 Housing Voucher Program. Under the regulations, the local PHA enters
14 into a Housing Assistance Payments (HAP) contract with a property owner on behalf of an
15 eligible family and agrees to subsidize the rental payment in an amount based on the family's
16 income.

17 14. The Sherlane apartments agreed to participate in the program, and entered into the
18 necessary contract and leases with me and the AHA. These contracts had a month to month
19 term, automatically renewable every year.

20 15. In an effort to maintain participation in the program, I had a third party contact the defend
21 -ant AHA, and a request for a reasonable accommodation was made on my behalf. Because such
22 a request had been granted in the past, I had no belief that the request would be denied.

23 16. Defendant Ms. Grace Stepter, in her official capacity as Director of the Sect. 8 program for
Page 5 of 8

1 the defendant AHA, received both telephone calls and letters requesting an accommodation on
2 my behalf. Despite my eligibility, the requests were ignored and denied.

3 17. I was terminated from the Sect. 8 program, and subsidy payments to Sherlane apartments
4 on my behalf were halted effective 1 April 2010. See Exhibit F (Letter of termination of benefits)

5 18. My physical condition and disabilities are impairments protected against discrimination by
6 a public entity in the provision of benefits, services and programs under Title II of the Americans
7 with Disabilities Act of 1990 (ADA), 42 USCA §§ 12101 et seq., the Fair Housing Amendments
8 Act, The Rehabilitation act of 1983 and the [state law against discrimination].

9 19. I was qualified to receive Sect. 8 rental assistance benefits under the guidelines set for
10 eligibility for such assistance.

11 20. Pursuant to provisions under the Fair Housing Amendments Act of 1973, 42 USCA §
12 3604 (f) (3) (B), the defendant AHA had an affirmative duty to make a reasonable accommoda-
13 tion in its policies or procedures when modifications are necessary to avoid discrimination on the
14 basis of a disability.

15 21. Pursuant to 24 CFR § 100.204, defendant AHA has an affirmative duty to make a reason-
16 -able accommodation in its policies or procedures when modifications are necessary to avoid
17 discrimination on the basis of a disability.

18 22. Despite the provisions of the above-mentioned statutes and regulations, defendant AHA
19 terminated me without making any reasonable accommodation
20 to its rules regarding recertification appointments to permit me to continue to receive Sect. 8
21 benefits while still undergoing my post-op medical treatment.

22 23. By terminating my participation in the Sect. 8 program without making any reasonable
23 accommodation, the defendant AHA has unlawfully discriminated against me in violation of
page 6 of 8

1 Title II of the Americans with Disabilities Act, by

2 denying benefits of the Sect. 8 program by reason of disability.

3 24. By terminating my Sect. 8 rental subsidy while I was undergoing surgery and recovering,
4 without making any reasonable modification of its policies, defendant AHA has unlawfully dis-
5 criminated against the plaintiff in violation of Sect. 504 of the Rehabilitation Act of 1973, 29
6 USCA § 794, by denying benefits of the federal Sect. 8 program solely by reason of disability.

7 25. By terminating my participation in the Sect. 8 program without making any reasonable
8 accommodation, the defendant AHA has unlawfully discriminated against me in violation of the
9 Fair Housing Amendments Act, 42 USCA §§ 3604 et seq., by denying benefits of the Sect. 8
10 program by reason of disability.

11 26. By terminating my participation in the Sect. 8 program without making any reasonable
12 accommodation, the defendant AHA has unlawfully discriminated against me in violation of the
13 [state law against discrimination], by denying benefits of the Sect. 8 program by reason of
14 disability.

15 27. Defendant AHA, acting under color of law, has violated my statutory rights under the
16 U.S. Housing Act of 1937, 42 USCA §§ 1437 et seq., and its implementing regulations at 24
17 CFR Part 982, in violation of 42 USCA § 1983.

18 28. Defendant's' termination of my participation in the Sect. 8 Tenant-Based Housing Choice
19 Voucher Program without the required fair administrative hearing deprives me of property with-
20 out due process of law, in violation of the Fifth and Fourteenth Amendments of the U.S. Constitu-
21 -tion (US Const. Amend. V and XIV), for which relief is available pursuant to 42 USCA § 1983.

22 WHEREFORE, I, Plaintiff, requests judgment as follows:

23 1. An Order declaring Defendant AHA's actions to be in violation of the due process clause
Page 7 of 8

1 of the Fifth and Fourteenth Amendments of the U.S. Constitution (US Const. Amend. V and
2 XIV), the U.S. Housing Act of 1937, and the promulgated regulations;

3 2. An Order declaring the Defendants' actions to be in violation of the U.S. Housing Act of
4 1937, 42 USCA §§ 1437 et seq., the regulations promulgated at 24 CFR Part 982, and 24 CFR §
5 100.204, the Fair Housing Amendments Act, 42 USCA §§ 3604 et seq., Title II of the Americans
6 with Disabilities Act, 42 USCA §§ 12101 et seq., Sect. 504 of the Rehabilitation Act of 1973, 29
7 USCA §§ 794 et seq., and [state law against discrimination];

8 3. Mandating the Defendant to immediately reinstate me in the Sect. 8 program administered
9 by the Defendant AHA.

10 4. Mandating the immediate provision of a Housing Choice Voucher so that I may secure
11 permanent housing for myself and my family;

12 5. For damages caused by any eviction and subsequent homelessness resulting from the
13 termination of my Sect. 8 subsidy;

14 6. For reasonable costs pursuant to 42 USCA § 1988; and

15 7. For such other relief the court deems necessary and just.

Re.: Request for extension of time for inspection of my residence and other requests

Reference to the above matter, the re-inspection of my residence is scheduled on Sept. 16, 2009 but I request extension of time due to my poor health and circumstances beyond my control.

In short, on 10 July 2009, I found my vision extremely poor (almost blind) so went to UCI Medical Center in Orange, CA. in emergency and learnt I have a severe cataract in both eyes, After several extensive lab tests and doctors' opines, I learnt that I have a severe carotid artery occlusion (causing the fourth stroke) and require vascular surgery (to avoid future strokes) ASAP. According to doctors' opines, this vascular surgery MUST be completed before the cataract surgeries on both eyes. The ESTIMATED MINIMUM TIME to complete all the three surgeries is about six months but it may take longer and may require second extension of time. I or one of my friends will keep you and resident manager inform about the progress/problem ASAP. SO I SUGGEST TANTATIVE DATE FOR INSPECTION MAY BE SET AFTER 1 MARCH 2010.

Even before 12 Aug. 2009, all groceries purchased for use but spoiled as unused due to poor health were discarded so absolutely no odor, bacteria, etc. All paper products are properly on shelves or in bundled/stacked/boxes/bags except a few (current) to read (but can't) and away from any possibility of fire. I stopped all unnecessary paper mails Many scattered empty plastic bags and some can foods in the bags on the floor need to put away to organize. Carpet needs vacuum and kitchen and bathroom floor need mopping. I agree, I need to organize but couldn't. I and my friends disagree with inspector's report of 1 Sept. 2009, as it is grossly over stated and exaggerated as I was reluctant to sign his report due to extremely weak vision.

Due to disabilities, I purchase cooked food from friend (time to prepare paid extra) so no cooking except worm-up prepared food so less mess and so cleaning. It may continue until I am able to see (even better than before) and life becomes normal. It costs four/five times more so REQUEST some RELIEF IN MY PORTION OF THE RENT IF POSSIBLE.

Upon able to see and life become normal I have planned to reduce, drastically, reading of technical magazines to remain current to help USA space and defense agencies. All technical papers and journals will be disposed off safely for national security. It may reduce almost about 70 to 80% of present clutter.

As I am getting older, my health problems are increasing and getting severe. So I REQUEST approval of TWO bedroom (one for care-giver) apartment ASAP.

Your kind consideration and full cooperation with prompt response is requested.

Sincerely, R. Patel (Raman Patel).

Prepared by Dr. C. Mehta.

Re.: Request for extension of time for inspection of my residence beyond 21 Oct. 2009.

Reference to the above matter, I thank you for granting extension of time up to Oct. 21, 2009 but it is not enough due to following reasons and circumstances beyond my control.

(1) I learnt that due to my requests and requests/pressure from some executive of govt. agency (unknown to me) my case is placed in EXPEDITE MODE. However, it shall depend on outcome of numerous extensive tests, consultations, etc. to prepare surgeons and staff for safe surgery and early recovery; i.e. successful surgeries (three as you know) at the end. As a result, I am visiting UCIMC twice/thrice in a week with a very short time notice and so get tired. Non-cooperation with the UCIMC may result in delays of my surgeries. So I may not be able to keep your set date and time for inspection.

(2) I sought help from the In-Home Support Service (IHSS) of the Orange County but hours granted are not enough so requested more hours, hearing, etc. Once more help available, organizing my unit may start and even expedite. I may get help on Oct. 3 or 4, 2009 and in future. The progress may be little/slow and steady but not enough to meet your needs, i.e. ready for inspection to pass.

(3) I am now 68yrs. old but helping, VOLUNTARY, USA defense and space agencies since last few years in their DIRE NEEDS though I am retired. It is not a fun or easy to read technical papers, journals, magazines, etc, digest and give expert opinions/advice on complex systems to my peers in the service. It isn't like reading a comedy/tragedy/romantic novel or seeing a movie. As a result, my unit is congested but organized (with many inconveniences to me) due to all these essential papers but you call it clutter due to ignorance. It shall be discarded ASAP but shall TAKE TIME. Though I get abuse/arrogance from the AHA/OCHA. Is it a REWARD for my FREE SERVICES?

(4) My unit is not as bad as inspector has written or you think. If it is so bad, I would get sick and so my friends visiting me, the landlord might have given me a verbal/written notice. In absence of all these I urge you to believe/trust others also, ignore nasty comments of your inspector (intended to hurt me by abusing power and treating me as slave), and be realistic. I know your requirements So I have passed inspections since last eight years. I intended to work to meet your needs ASAP.

(5) Setting an arbitrary dates and times with a threat of losing housing benefits if unit fails inspection before planned three surgeries shall create undue or unwarranted more worries/anxiety, stress, etc may complicate my health even further, delay surgeries and so recovery. The cost of medical treatments, paid by the Governments shall be very high besides my future pain and sufferings.

Due to these and some unknown reasons I urge you to grant me enough time as requested before without creating such papers, and spending unnecessary time and resources of all involved. Also provide necessary forms or specific format of letter for my doctors to fill and sign to qualify me for two-bedroom voucher which is long overdue. Hop to hear soon.

Sincerely, R. Patel (Raman Patel)

Dear Mr. Patal,

Our records indicate that your unit has continued to fail HQS housing inspections since August 26, 2009.

Based on your request, an extension was granted in this matter until October 21, 2009. Since that time, we have been in communication with Older Adult Service to assess the current status of your unit.

This notice is to advise you that the Anaheim Housing Authority (AHA) will be requesting that the Orange County Housing Authority (OCHA) perform a final inspection of your unit in the near future. You will be advised of the specific date of the inspection by OCHA. It is critical that your unit pass the upcoming inspection in order to preserve your rental assistance.

If you have any questions regarding your case, or this letter, please contact your Housing Specialist, Ms. Julie Escobar at 714 765-4320 ex 4891.

RESPONSE (fixed on 12/2/2009)
(Prepared/Written by DR. C. Mehta)

For your info. I have vascular and cataract (with blood clot) on right eye surgeries on 16 Oct. and 2 Nov. 2009 respectively. ON 7 Dec. 2009 my left eye is scheduled for surgery. Around Christmas I may get prescription for reading lens and may get it made (by Medicare) by end of January or early February 2010. until then I am unable to read or work on so called "clutter"

since 10 July 2009 (got blind), I am going through lots of very extensive tests and so doctors found four body parts as critical problem areas - Brain, heart, right knee and left clavicle.

The Brain and heart have serious problems so if ignored may cause severe multiple disabilities including sudden death. So doctors want to perform extensive tests to study/monitor development and do surgeries as and when required with a moments notice. By Feb./March 2010 doctors may have better picture of my health.

Around 29 Oct. 2009 my friend DR. C. Mehta has talked on phone for 40 min. to Miss Henry, Sr. Sup. in your office and explained few things to clear doubts and offered to sign a "Release of Information" by me to get all info you may want. I am ready to sign it when you prepare it with a person name as you wish as hospital is reluctant to give a "declaratory" letter as you want in the middle of planned surgeries (three now). I request you spare sometime to talk to one of my doctor friend to get info you want and clear all your doubts. setting any arbitrary date and time for inspection have not worked in the past as you know and may not work in the future so I suggest/request to give enough time as requested.

Sincerely, R. Patel (Raman Patel)

DECLARATION OF DR. JOHN SUTHERLAND, PhD.

I Dr. John Sutherland, PhD declares,

1. I am retired scientist from the National Aeronautic and Space Administration (NASA) and know Dr. Raman Patel as my colleague for ten years and my peer rot ten years before promoted to higher position close to my retirement. I testify in favor of Dr. Patel as follow; however unable to appear in person due to very poor health so I submit this declaration for kind consideration of Hon. Judge.

2. During my supervision and as a peer, I observed him very closely and amazed by his sweet nature, abilities, knowledge, and skills to work with all levels of people-males and females. Unfortunately, he was forced to retire due to health (three strokes- 1995, 1996, 1997).I have visited him and his family numerous times and still in touch with him and his family numerous times and still in touch with them. I visited him in Dec. 2009 after his three surgeries.

3. When US Government needed his help he helped DOD, NASA, Homeland Security, Treasury etc. and may continue, during crucial time and dire need even after retirement WITHOUT ANY EXPECTATION. HIS SELFLESS AND EXCELLENT SERVICES WERE RECOGNIZED AND APPRECIATED BY STAFF OF NASA, DOD, etc. AND REWARDED ACCORDINGLY (IT IS CLASSIFIED). For these reasons, he has many books. His living room is congested and inconvenient to him but he worked around it in national interest first.

4. You may reach me at uscientist4u@yahoo.com as I have hearing problem but I shall return call ASAP as I see my Emails very often during the day.

5. I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

FROM THE DESK OF DR. C. (Chandrakant) Mehta. MD, PhD.- Scientist, Surgeon and Professor.
And Dr. V. (Vinodrai) Desai. MD, PhD - Scientist, Surgeon and Professor.

JOINT DECLARATION OF DR. C. MEHTA AND DR. V. DESAI FOR DR. RAMAN PATEL

1 We Dr. C. Mehta and Dr. V. Desai, resident of Huntington Beach, Ca. declare

2 1. We know Dr. Patel since last 25years and visit him everyday since July 2009. He has signed
3 release to us for his health issues so we talk and exchange information about his health problems
4 with his treating doctors at UCI Medical Center in Orange, Ca. He is very hard worker and so
5 admired by his colleagues, superiors, and professionals for his nature, knowledge and skills in
6 various fields. We help him in his needs.

7 2. On 31 March 2010 at 10:30A.M. We inspect his apartment with Ms. Brandie Boon, apart-
8 ment manager and found every thing clean and organized and no damage to the property at all.
9 He has plastic runner on carpet at heavy traffic areas. Living room has computer, table, and lots
10 of papers- on the self, boxes, bundles, bags or stacks on the floor. i.e. reasonably and carefully
11 organized without any possibility of fire or obstacle in movement. Due to some sensitive (not
12 classified) papers (saw samples) to preserve and protect US national interest, he needs to go
13 through all papers very carefully by himself and discard all unwanted. He needs more time to
14 sort it out, for his lifetime work and cannot finish in one or two months with his disabilities.

15 3. Since July 2009, we telephoned and prepared letters for Dr. Patel (to sign due to his dis-
16 abilities) numerous times and learnt (from other seniors) that Ms. Grace Stepter and her staff at
17 Anaheim Housing Authority, are prejudiced against seniors, ignorant about seniors' problems and
18 functioning of hospitals coupled with their blatant lies and abuse of power which makes seniors'
19 life miserable. It is unprofessional, inhumane, and illegal seniors' slavery. Seniors abuse pre-
20 scribed medicines to meet artificial deadlines, get sicker, and the government pay by Medicare
21 and or medi-caid (Medical). It is a vicious cycle and very costly. So please help seniors and the
22 government.

23 4. You may reach us at 714 842 2346 between 7 to 9AM or leave a message at other time.

24 5. We declare under penalty of perjury under the laws of the State of California that the
25 foregoing is true and correct.

26 Date: 10 April 2010. Cmehta (Dr. C. Mehta) Vdesai (Dr. V. Desai).
